Title your story, name yourselves as authors, and draw a cool cover that will attract readers.

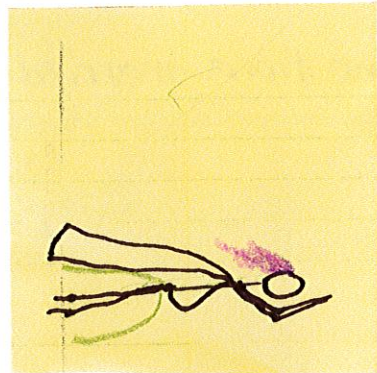

Design the main character of your story

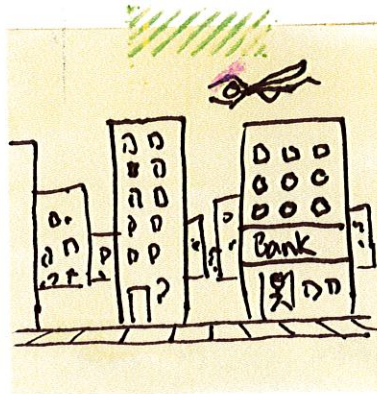

Something interesting happens & the character meets trouble

With her pregnancy came MAGIC POWERS!

She would fly into the city. The bigger she grew the higher she could fly.

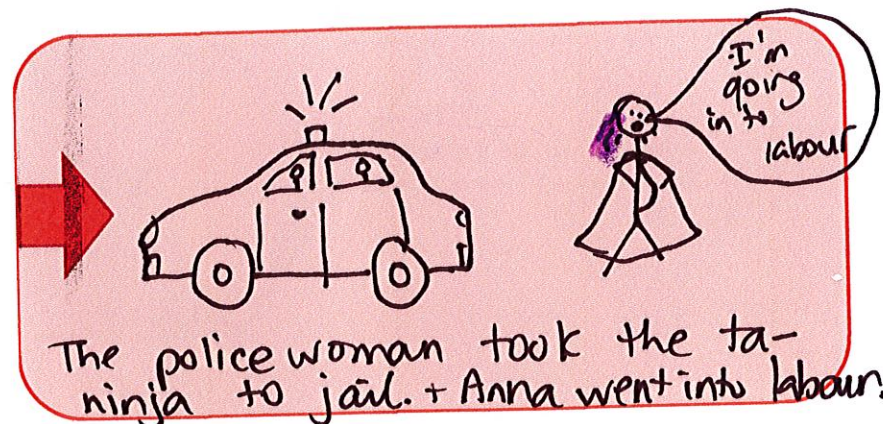

One day she saw a ta-ninja. He was stealing.

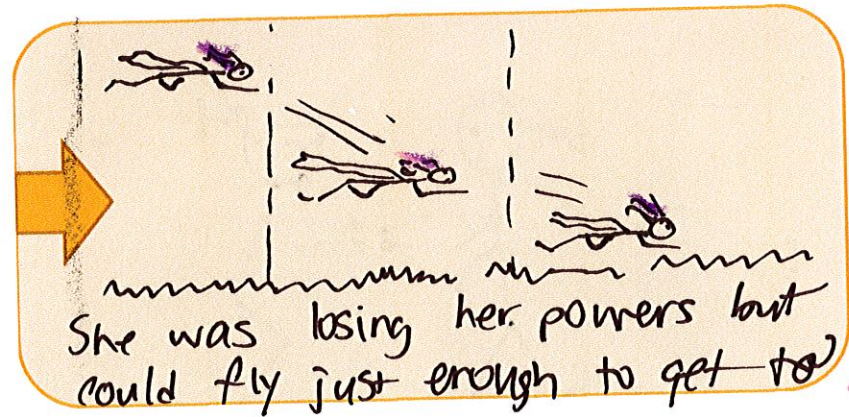

What happens next? Include dialogue, description, & drawings

They had a big fight but she got him with her blades.

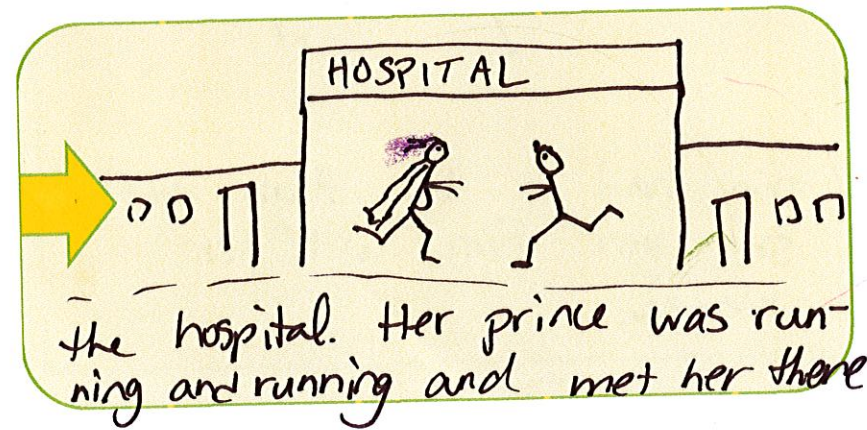

The most exciting part of the story

The police woman took the ta-ninja to jail. + Anna went into labour.

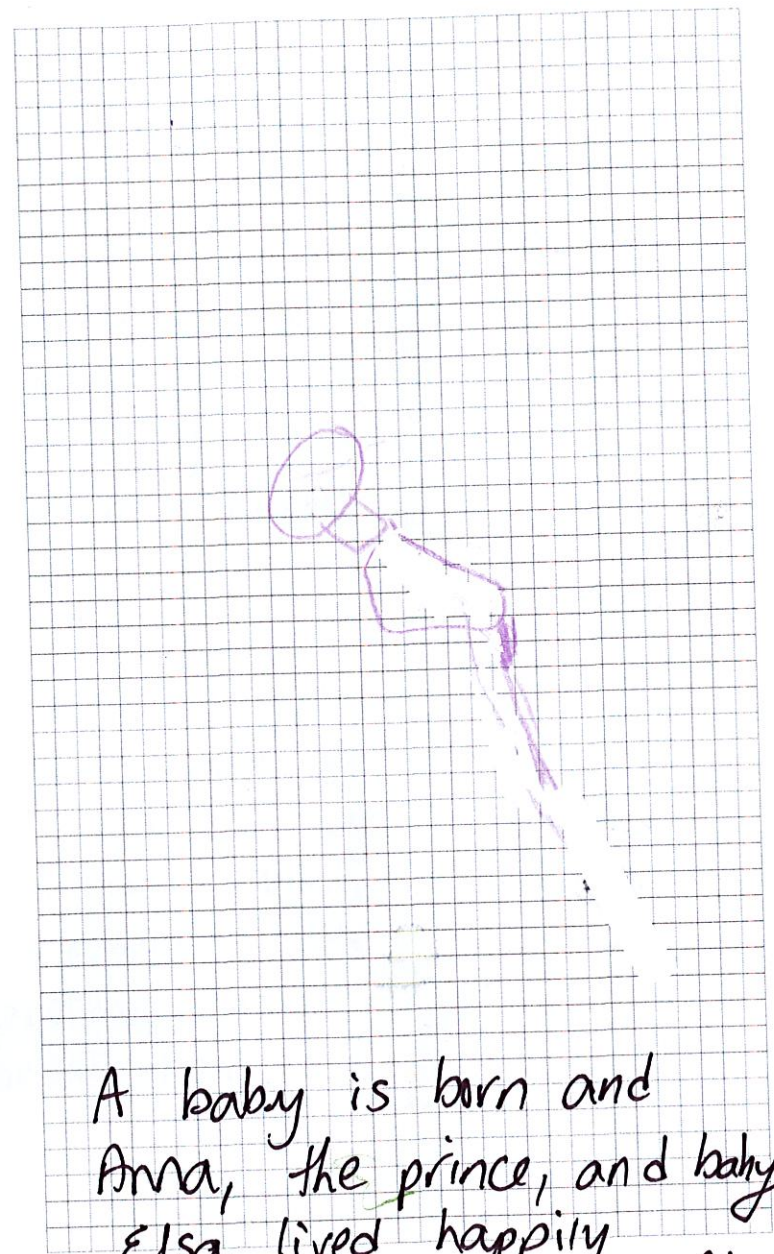

She was losing her powers but could fly just enough to get to

the hospital. Her prince was running and running and met her there.

Begin wrapping up the story: what is the solution to the problem?

A baby is born and Anna, the prince, and baby Elsa lived happily after, but Anna never flew again.
